WE ARE COMMITTED TO SAVE LIFE LIFE IS PRECIOUS

You may encounter these unfortunate victims in road accidents, Factory accidents, it may in school, college or anywhere and you would not know what to do. your helplessness could be tragic and even fatal for these ill-fated victims. in many cases, death could be a mere four minuets away and only fast and correct actions can save these lives.

- ❖ We have **trained over 1000 employees in MNC** and large Indian corporate houses with CPR techniques.
- ❖ We have trained **schools, colleges, institutes staff & Students** more than 5000 in numbers.
- ❖ Our team of highly motivated trainers keep abreast with latest standards.
- ❖ **Our aim :** to Create awareness about first aid & CPR among the employees of **factories, corporate, Schools, Colleges, Institutes, Hospitals, Fitness Centers, Clubs, Associations.**

For over 12 years we have been offering our training services to workplace First-Aiders in companies of all sizes and across a range of industrial segments. And we have been doing it in a scientifically tried and proven way and of course most cost effectively.

**We also Provide DISH Govt. Certified
